PLACE: E1.028 (Hearing Room)
CHAIR: Senator Larry Taylor

The Senate Committee on Education will meet to take up the following Interim Charges:

- Study the approval, expansion, and revocation of public charter schools in Texas, including the implementation of SB 2 (83R) and other legislation. In particular, examine the issues surrounding the disposition of state property when charters are revoked, non-renewed, or cease to operate. Make recommendations regarding policies to ensure an efficient and effective transfer and disposal of state property that preserves state interest while ensuring that certain investment capital and the bond market supporting charter construction remains robust. In addition, make recommendations if needed to clarify policies regarding expansion of existing high-quality charter schools in Texas. Additionally, examine facility funding for charter schools in other states and make recommendations on facility funding assistance for charter schools in Texas.
- Study the recent rise of inappropriate teacher-student relationships, the impact of social media interaction between teachers and students, and examine the current efforts by the Texas Education Agency, schools, law enforcement, and the courts to investigate and prosecute any educator engaged in inappropriate relationships. Determine what recommendations, if any, are needed to improve student safety, including increasing agency staff, adjusting penalties, and strengthening efforts to sanction educators' certificates for misconduct. Study and address the issue of prevention through training and education of school employees.

Public testimony will be limited to 3 minutes.
