Representative Leman was also in attendance.

The Chair delivered opening remarks and opened up discussion for the posted agenda.

Eminent Domain Interim Charge

The Chair brought up the following interim charge: Examine Texas' eminent domain statutes to ensure a balance between necessary infrastructure growth and fair compensation for landowners. Review available public information and data relating to the compensation provided to private property owners. Make recommendations to improve the accountability, as well as successful development, of the entities granted eminent domain authority.

Testimony taken/registration recorded. (See attached witness list.)

GLO State Power Program Interim Charge

The Chair brought up the following interim charge: Study the State Power Program operated by the GLO, and interlocal agreements authorized under Government Code Chapter 791, to ensure accountability and transparency in program administration. Evaluate program offerings to public customers as compared to those available in the retail electric market, as well as the State Power Program's contribution to other state programs. Make reform recommendations and analyze potential impacts to program beneficiaries.

Testimony taken/registration recorded. (See attached witness list.)
